RAT DAY AT COVINGTON HIGH
 Ross Cook woos his lady fair with
 "Thee I Love."

UP! DOWN! UP! DOWN
 These Phys. Ed. girls are being
 conditioned for basketball and tumb-
 ling.

LET'S HAVE A PEP RALLY
 The Band, Majorettes, and Cheer-
 leaders whoop it up in preparation
 for the big game with our friends
 down the river.

TOUCHDOWN! TOUCHDOWN!
 E. C. Glass scores against C.H.S.

O u r L i f e a t C . H . S

M e m o r i e s o f H e r

Who's that flying down the hall,
Doing something nice for all
Who's that decorating for a dance,
Planning fun for all in advance.
Of course, it's Maggie.

Who's that cheering with ten girls,
Changing jumps and adding twirls.
Who's that coaching on the court,
Calling girls to a favorite sport.
Of course, it's Maggie.

Who's that instructing, with such vim,
Tumbling and jumping in the gym.
Who's that waltzing with my boy friend,
Teaching the steps from start to end.
Of course, it's Maggie.

We all know her without a doubt,
She makes us smile instead of pout.
A grin, a laugh, a joke or two,
She'll never leave you feeling blue.

A r e L a s t i n g O n e s . . .

To one who has long deserved the honor, we humbly
dedicate this 1957 edition of PUFFS AND PATCHES to

MRS. MARGARET WHITE

This is but a small token of our heartfelt thanks for your devotion to
your work, your understanding and interest in our problems and your
immeasurable assistance in all that we have attempted to do.

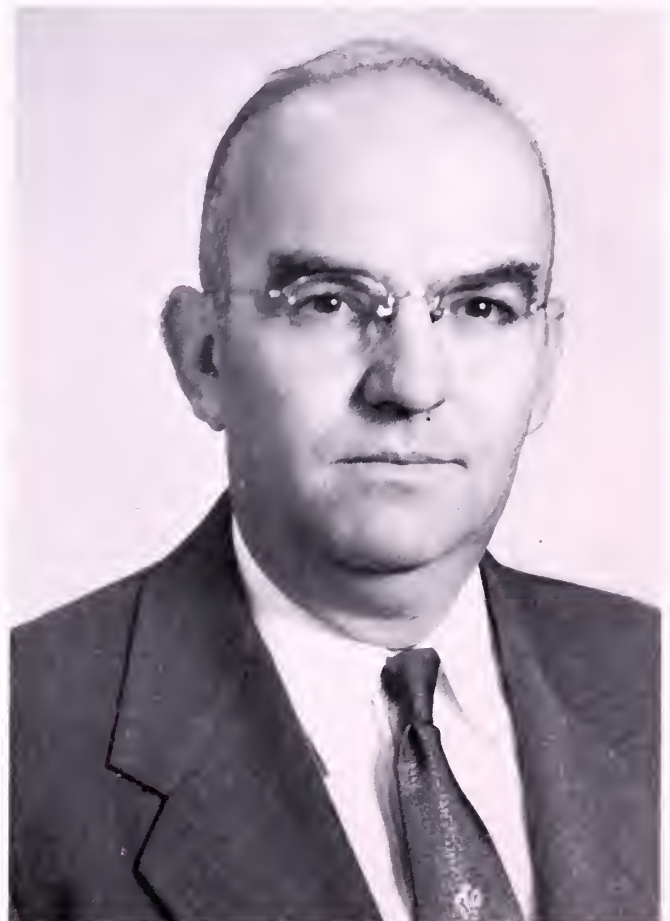

MR. WILLIAM R. BEAZLEY, B.S., M.S.
Superintendent of Schools

St. Charles College

An office is the hub of every school and an efficient staff makes the wheels turn. Many and varied tasks must be performed daily: absentees to be checked and recorded, menus to be typed and distributed, bulletins to be circulated, paper and pencils to be sold, and requests of the principal to be carried out.

Our school secretary must instruct her assistants in operating the various office machines. Then these industrious workers keep the typewriters, duplicators, mimeograph and adding machines busy throughout the busy school hours.

MRS. ERNESTINE HUMPHRIES
School Clerk

Office Staff

Left to Right: Margie Stone, Charlotte Myers, Pat Chamberlain, Vivian Knick, Norma Anderson, Nelda Suroski, Brenda Sizemore, Mrs. Humphries, Frances Steger, and Donnie Back.

Our Home Economic instructors, checking sewing machines so that all will be in order when the girls begin their sewing.

Howard Hammond is one of the many teenagers who consult with Miss Thomas about future college plans.

"It's really not difficult, students," says Miss O'Farrell.

"Experimenting is one way of determining acids from bases," explains Miss Hepler.

Checking papers is only one of the many jobs for Mrs. Cvizic.

"This is the third time I've said that, Can't you understand?" says Mrs. McDonald.

"You probably never thought you'd be studying the carrot," Mrs. Pitman remarked.

our candid cameraman catches the teachers off-guard

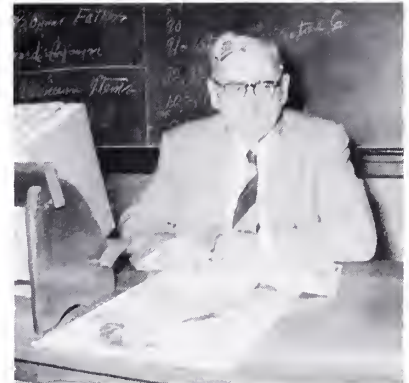

Arranging schedules is just another job for Mr. Heretick and Mrs. Humphries.

Teachers gather for a few short minutes of relaxation in the cafeteria.

"You wouldn't be trying to put anything over on me, would you?" exclaimed Mr. Taylor.

The bell brings the students in for another day of studies.

Change of classes offers a minute of conversation with your best girl.

T h i s I s

All tardy students check in with Mrs. Humphries.

Someone else's opinion and helpful suggestions are always welcome in art class.

The sound of the bell brings everyone into the hall for a three minute break.

Shorthand is a must for girls preparing for secretarial jobs.

O u r M o r n i n g

The school is rapidly emptied for a practice fire drill.

Hungry students quickly form a line at the cafeteria.

Daily visits to the classes are made by Mr. Curfman.

Each Tuesday students prepare and lead discussions in their home room.

L a t e r . . . I n

Whether it's fact or fiction you want, you'll quickly find it in the library.

The vocal class which meets everyday during the 5th period, adds music to our Christmas festivities each year.

Easily made and quickly eaten are the delicious cookies made by the Home Economic classes.

Students board buses for home in many sections of Alleghany County.

T h e A f t e r n o o n

Those who misbehave must pay and study hall after school is the price.

The C.H.S. band practices marching, maneuvers and music many long weary hours.

Girls get together for a quiet evening of television, cookies, and cokes.

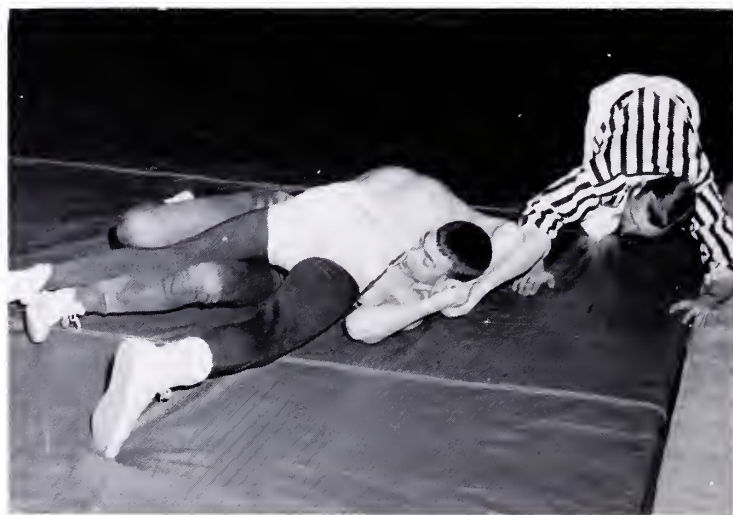

Harriet and Pat study for a Spanish test on irregular verbs. They're hard!

A n d A f t e r

Boys get together for a gab session and hamburgers at Buddy's and Sonny's.

There's never a dull moment when the Cougar Wrestlers are in action.

Nothing like a good movie to take your mind off exams.

The dances are an important part of the social life of C.H.S.

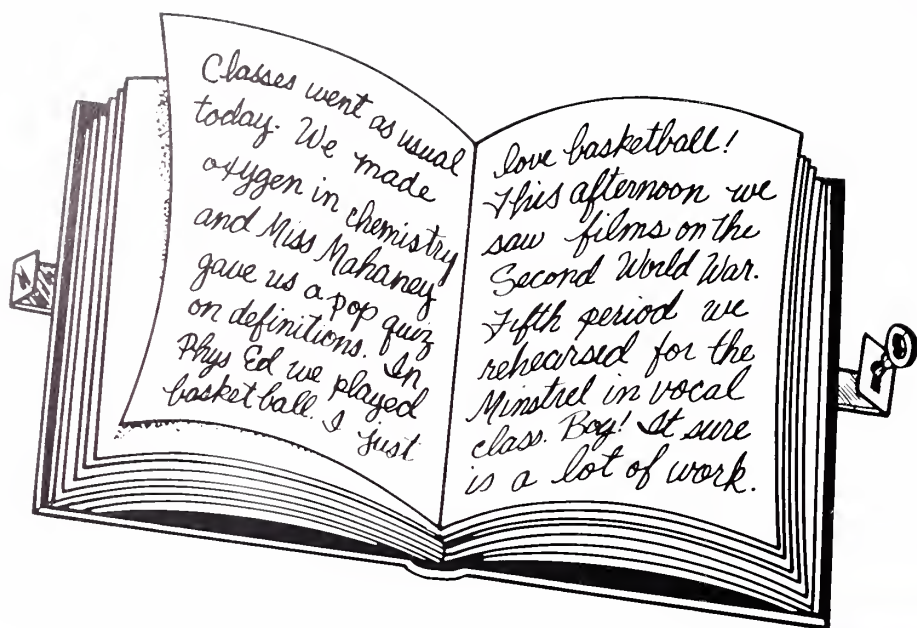

S i x - T h i r t y

The perfect end to any evening.

After school isn't playtime for some boys who work till ten.

My, how time is flying! It seems like yesterday when I first entered the high school doors as a Senior. It took a while to realize that this was my very last year within these familiar walls. Receiving my class ring and marching into assembly made this fact seem a little more real. Then as each week went by, my ultimate goal loomed

larger and closer in my future. Ordering cards and announcements, looking forward to the Prom and planning for Class Day each took their place. In some ways I'd like to do it all over. However, I think all my classmates will agree, nothing beats being a senior at C.H.S.

Michael Miller cast his vote at Precinct One in the 1956 Presidential election.

Hammond's elephant is portraying the Republican Party at our Mock Convention.

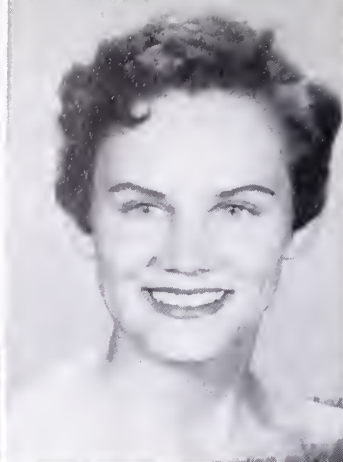

Glover and Downey are busy selling copies of the Announcer.

One of the activities for the Student Council is putting up the flag.

Once again we return to school, anxious to get back into the old routine of pep rallies, football games and last but not least, studying. We are once more ready to respect the seniors and to be looked up to by the Sophomores.

This year we have to start thinking seriously

about our future. Should we go to college or look for a job? This question is very important to all of us.

To end a perfect year we finally ordered our class rings and planned and decorated for the prom in honor of the Seniors.

Boys who are interested in radio have a golden opportunity to increase their knowledge of it in Mr. Jonas's class. They learn the principles and methods of assembling a radio, as well as, the fundamentals of electricity.

The public speaking class under the direction of Mrs. Cvizic rehearse for the comedy "Sunday Costs Five Pesos." After three weeks of constant practice the play was presented in assembly and for the C.H.S. Parent-Teachers Association. In addition they gave a radio skit over WKEY for National Education Week.

Mrs. Mustoe uses the map and globe to illustrate the territorial growth of the United States. Her class studies the history of America from its birth until the present.

Students in psychology present panel discussions as part of their regular class work. Their favorite topics deal mainly with the problems facing teen-agers today.

The mechanical drawing class is concerned with learning to place on paper the ideas of engineers and physicists in such a manner that the ideas can be translated by skilled craftsmen into working models.

Films are valuable learning aids in any class. Mr. O'Rourke selects many documentary and fictional ones to supplement the work in his American History course.

My first week at Covington High.

Such confusion! It seemed as though I'd never stop filling out forms, cards, and schedules, get the up and down stairs straight, or get acquainted with teachers and upperclassmen. It didn't take

too long to get in the routine and after initiation I felt as if I really belonged. I really had to work to get biology and algebra, but altogether I liked my subjects and teachers. In fact I enjoyed my whole year at Covington High and am anxiously awaiting those to come.

Cheerleaders and Pom-Pom Girls add a touch of glamour to our football games.

POST GRADUATES

These annual staff members are having a difficult time identifying students in a group picture.

Girls do all the hard work around this school.

Lockhart, Lawless, and Fridley received the Eagle award, the highest honor in scouting.

Mr. Curfman sends a bulletin to all teachers by office helper, Glenda Scott.

During the 1956 Presidential campaign, Stevenson rooters parade into Curfman Hall.

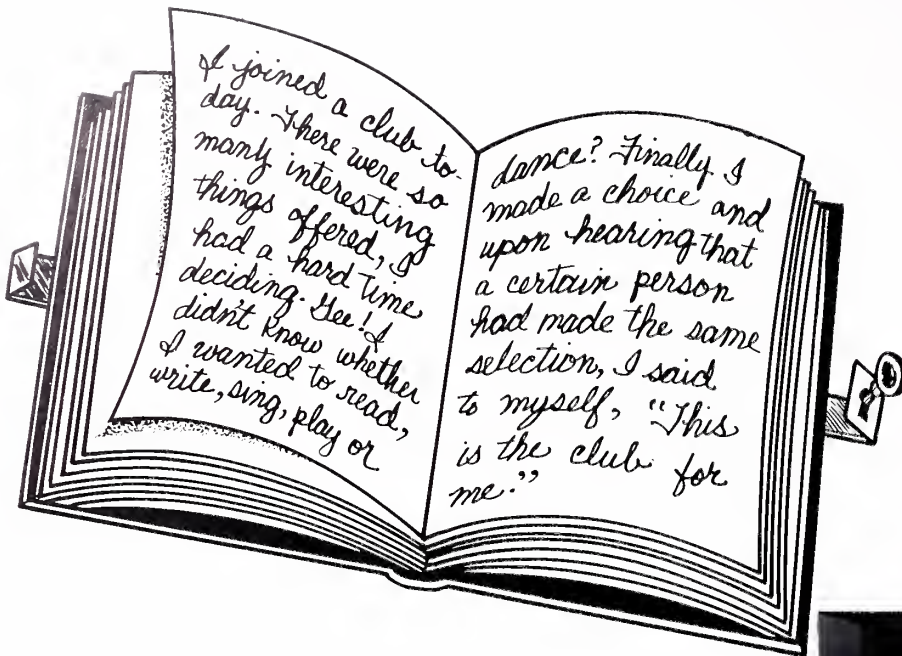

Our school was proud to receive letters from President Eisenhower and Eddie Fisher, who received complimentary copies of the 1956 Puffs and Patches.

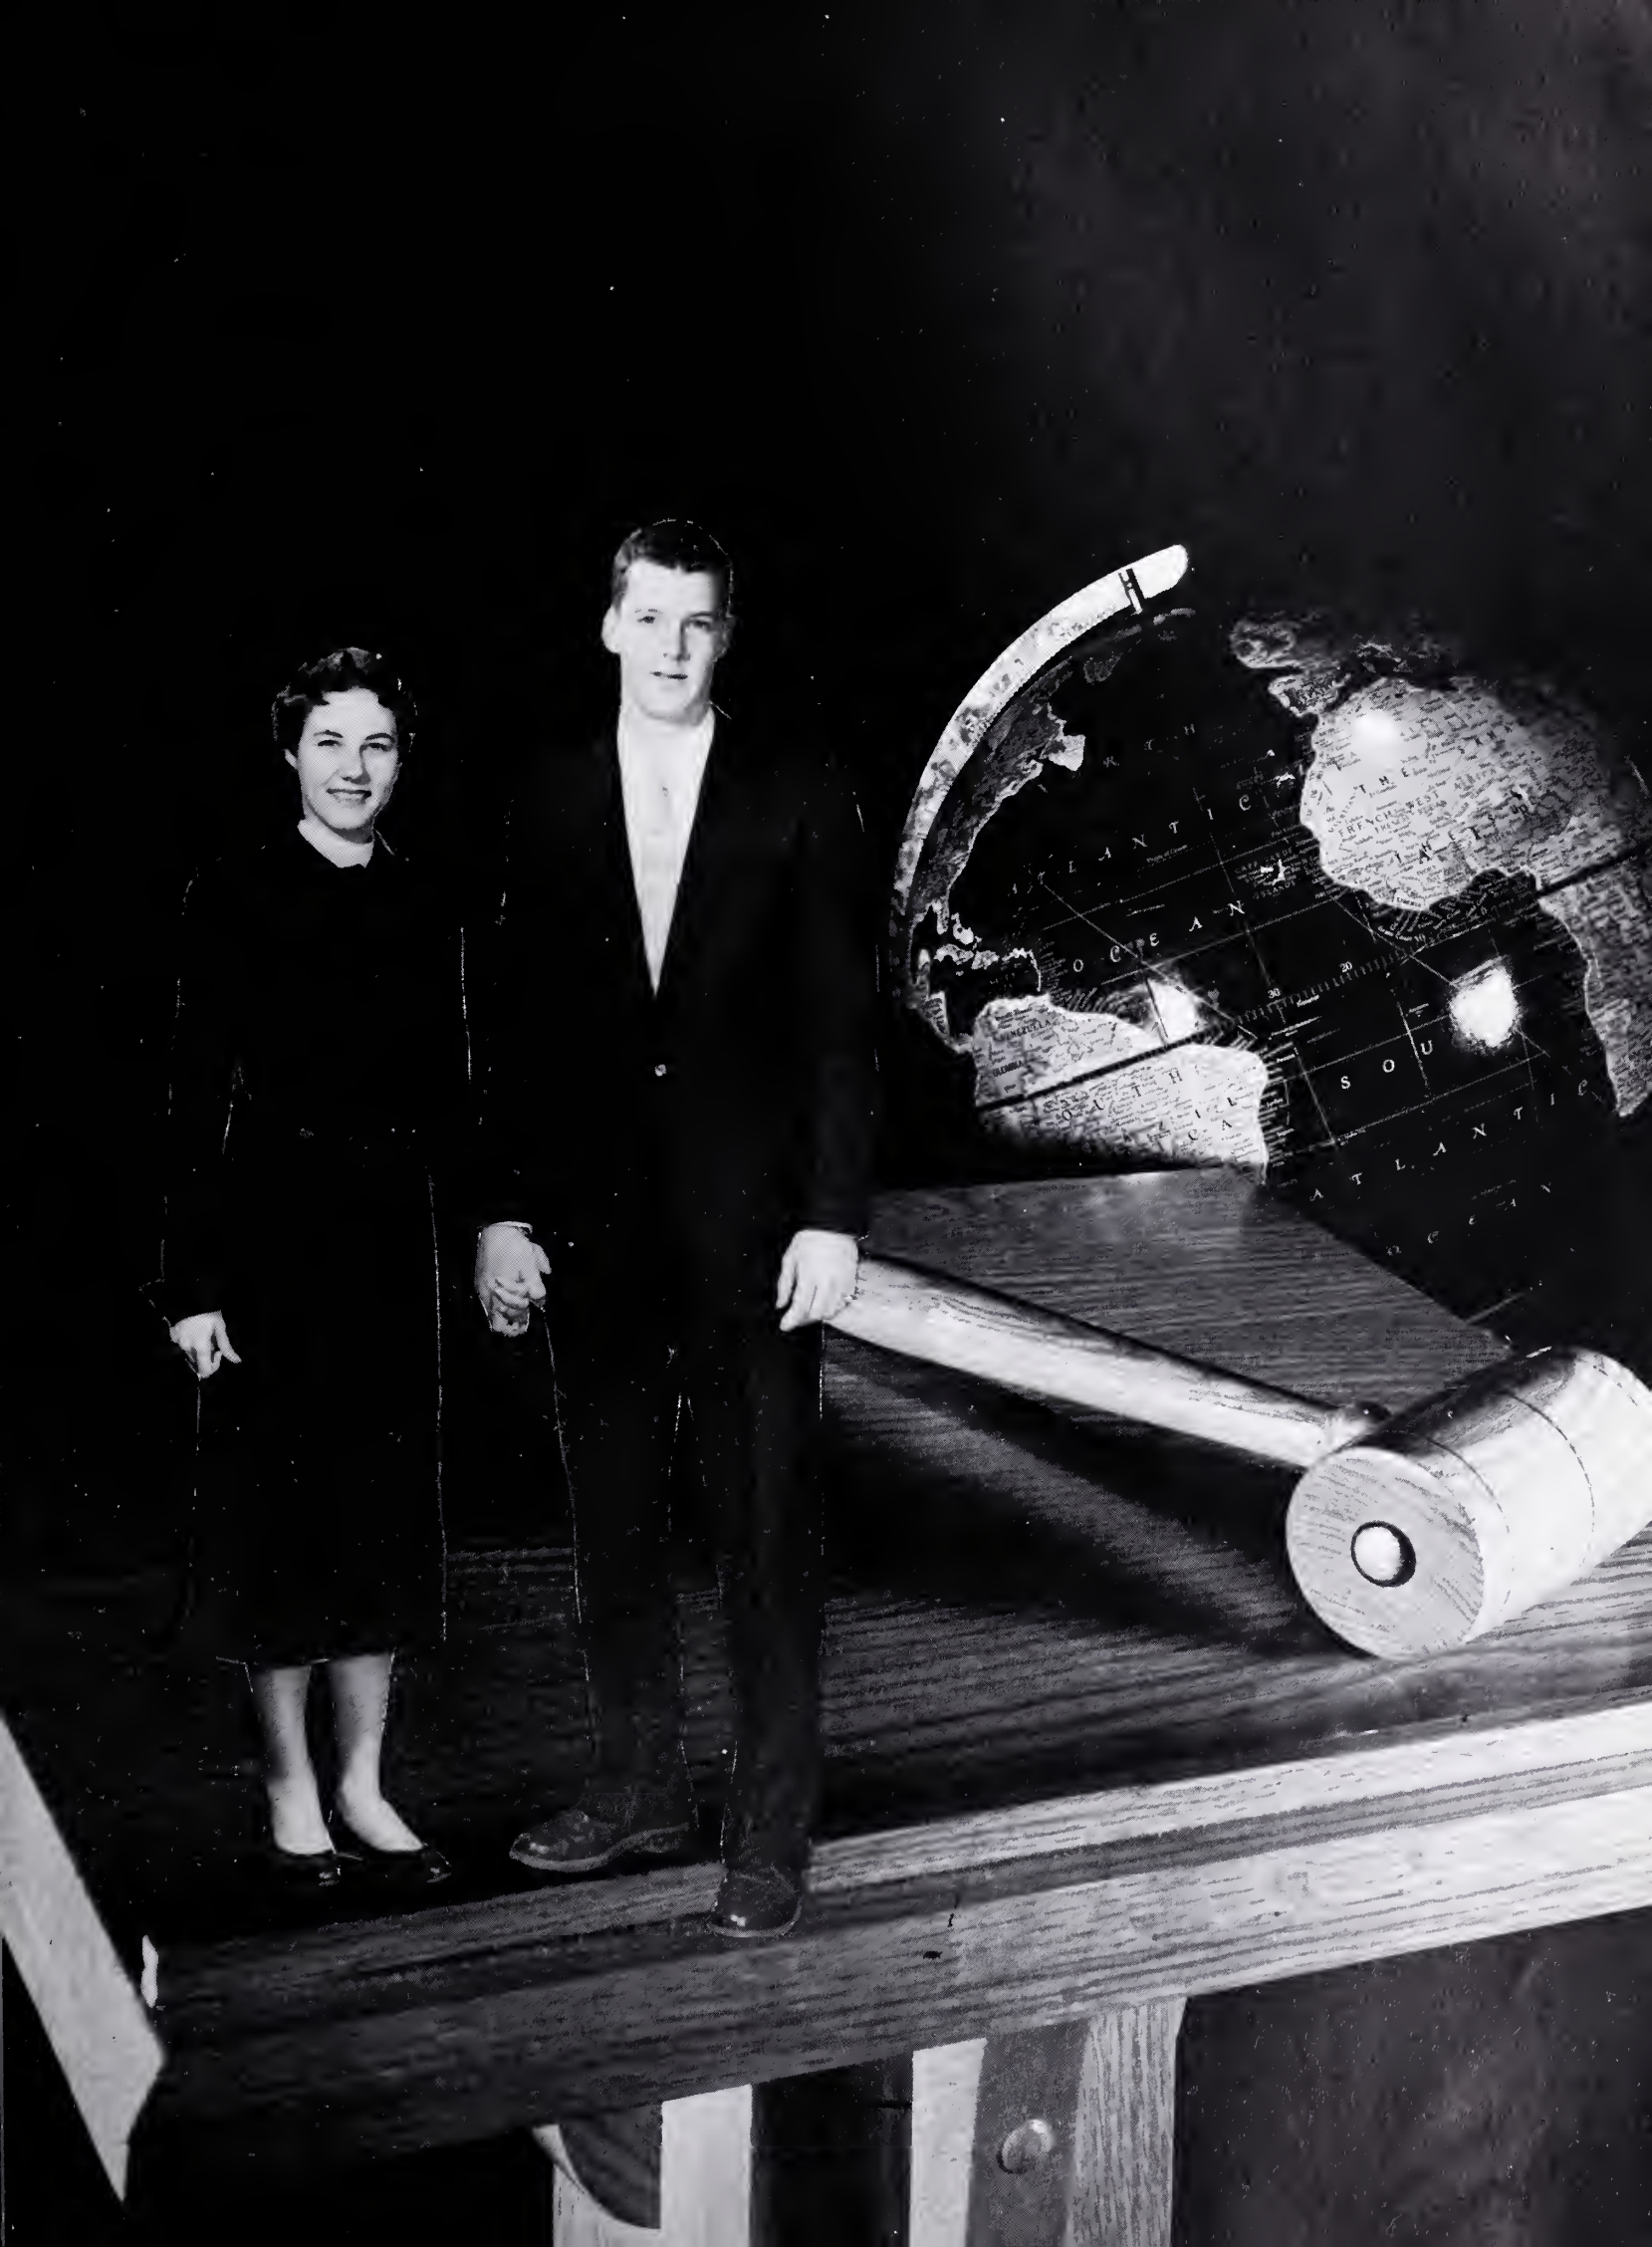

A snack and a little conversation is a pleasant way to end the day.

Student Council

Student Cooperative Association of Covington High, sponsored by Miss Thomas and Mrs. Cvizic, performs a very important function in the school. The most important duties of the S.C.A. are to plan all the assembly programs for the year, keep order in the cafeteria line and lunch room, and to control traffic in the halls and on the stairs. Aside from this the S.C.A. also plans the Sophomore

Dance and the Christmas Formal to raise money for the treasury out of which the club pins are bought. This year C.H.S. was the host school for the Roanoke District Meeting.

The Student Council is composed of representatives from each homeroom and sophomore, junior and senior class representatives.

P u f f s A n d P a t c h e s

If you're ever looking for any work to do, there's one place you can always find it and that's on the Annual Staff. Besides deciding on a new theme, style and color, we have to get ads, sell subscriptions and take pictures. The dummy has to be drawn, articles written and proofed, and everything typed; only then comes the completion of the actual stages. These are only a few of the many things that must be done to publish an

annual that will hold many memories in the years to come.

This year the Business and Editorial Staffs have been combined for the first time to give everyone an equal opportunity to increase his knowledge of journalism and to gain experience in dealing with the public.

First Row: Joseph, Lipes, Winn, Haynes, Rickett, Howard, Fridley, Chamberlain, Hepler, Burks.

THE FUTURE BUSINESS LEADERS OF AMERICA ARE OUR CONTRIBUTION TO BUSINESS AND INDUSTRY

The F.B.L.A. organization seeks to develop competent, aggressive business leadership, and strengthen the confidence of young men and women in themselves and their work. Our club creates more interest and understanding in the intelligent choice of business occupations which gives us the desire to participate in worthy undertakings for the improvement of business and community. Also, it develops character, training for useful citizenship, and fosters patriotism.

Reid, Wilmer, Stokey, Martin, Carter, O'Conner, Suroski, Myers, Childs, Miss Jones.

MAY THESE FUTURE TEACHERS GUIDE AND TEACH OUR CHILDREN WISELY AND THOROUGHLY

One of the things I enjoy most about high school is being a part of the Future Teachers of America. At our club meetings we discuss qualities of a good teacher and things we can do to make ourselves better when we teach. We also observe classes at Jeter which is interesting and informative. It isn't all work, though, for we have a lot of fun planning and enjoying socials.

Dressler, Smith, Mrs. Mustoe, McFadden, Hill, Smith, Hodges, Heydrick, Armentrout, Landis, Alexander, Mr. Curfman.

THESE FUTURE HOMEMAKERS OF AMERICA WILL BE THE EFFICIENT WIVES AND MOTHERS OF TOMORROW

The Future Homemakers Club is open to all girls who take home economics. There are one hundred and eleven of us at the present time. We have two main goals which we have set for this year. They are: to understand the importance of home economics and the opportunities available in the field; to become a useful, worthwhile citizen in the home, school and community. We sponsor three main social events during the year. One of these is a tea, given in December for the faculty, mothers and school administrators. In February we have a Valentine Dance. Then in April we have our annual Mother and Daughter Banquet.

IN SPEECH ARTS OUR HIDDEN TALENTS ARE REVEALED

We, the Speech Arts Club, have learned much this year about the "art of speaking" and how to read and appreciate plays (under the leadership of Mrs. Van Osdol). Our projects this year have been reading plays, studying and interpreting poetry, and writing three original one-act plays.

Bowers, Bartley, Neill, Rhodes, Byer, Mrs. Van Osdol, Hall, Goode, Humphries, Warwick, Knick, Lavender.

FROM BACH TO PRESLEY IN OUR RECORD CLUB

For me, the Record Club's motto, "To acquaint the member with the fact that there is more than one type of music and artist," has really been fulfilled. Before I joined this club my whole diet was popular music. But since joining the Record Club, the discussions led by Mr. O'Rourke have helped me to appreciate and enjoy semi-classical, classical, and instrumental music, too.

Pullin, Johnson, Sizemore, Bryant, McFadden, McClure, Wright, Rice, Calhoun, Myers, Miller, Scott, Kirby, Smith, Felty, Nance, Snead, Freeman, Jackson, Persinger, Beverage, Jordan, Carpenter, Rose, Tucker, Warwick, Kemper, Mr. O'Rourke, Tucker.

PREPARING FOR LEISURE TIME IN TABLE GAMES

I saw Miss Hepler today about joining the Table Games Club.

Nancy told me I would be taught to play many new games, the rules for these games, and even the way to shuffle cards correctly.

I want to join this club because knowledge of games is essential in many of our social circles and is a good way to spend leisure time.

Boys' And Girls' Drill Teams

The Girls' Drill Team under the direction of Miss Arrington and the Boys' Drill Team under the direction of a team member meet once a week to improve their marching ability and to learn new

and different marching routines. For the boys this marching will help to prepare them for future training in Armed Services. It provides a moment of relaxation and pleasure for the girls.

P o m - P o m G i r l s

This was our first year of working with the C.H.S. band, but we quickly got into the swing of things and had a lot of fun working up dance routines and helping in half-time skits.

I loved wearing my snowy-white uniform and

whirling the fluffy blue and gold pom-poms.

I hope they have the pom-pom girls for many years to come and that each girl will have as much fun as I did.

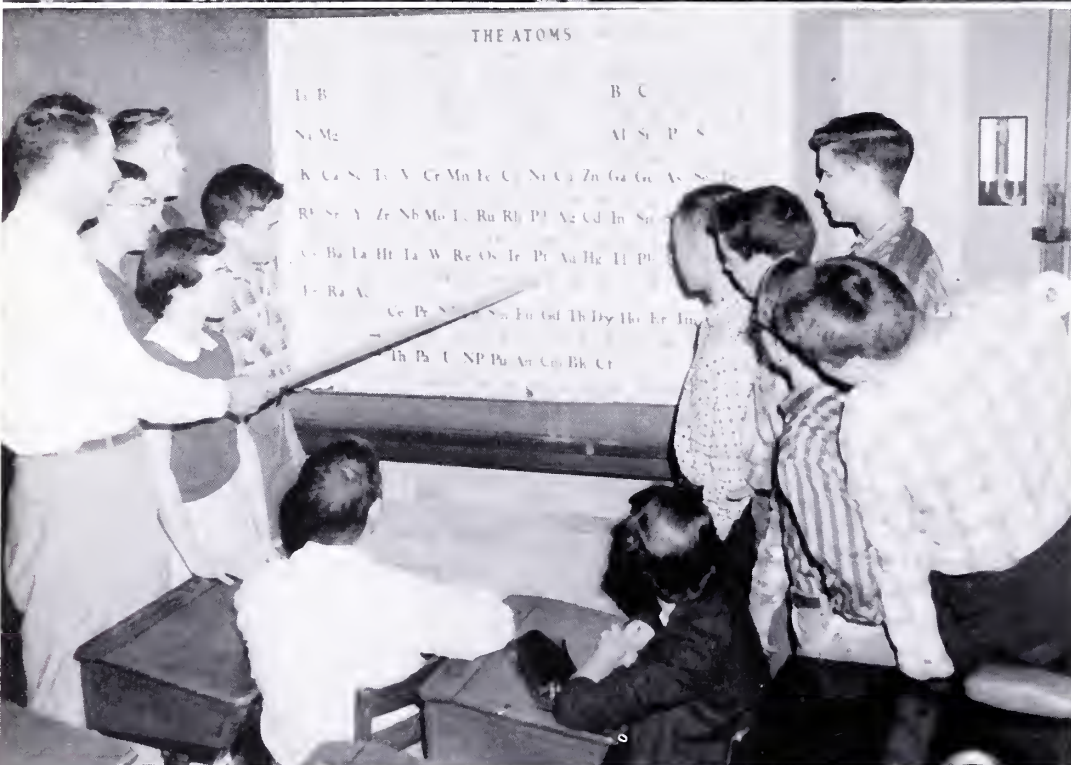

BIRD WATCHING IS FUN IN THE NATURE CLUB

I have given many reports on animals and plants and have seen many movies which make the Nature Club most interesting.

In the spring we go on field trips to learn to recognize animals and plant life.

We have made many drawings to put in our scrapbooks from the information we gained from reports, movies, and field trips.

Swihart, McCallister, Lair, Sharp, Eggleston, Turner, Smith, Potter, Rogers, Reed, Mrs. Curfman.

UNRAVELING MYSTERIES IN THE SCIENCE CLUB

I couldn't make oxygen or do any other experiment so I joined the Science Club today.

Since experiments go on every Wednesday under the direction of Mr. Jonas, I learned to make oxygen by using the formula 2KClO_3 yields $2\text{KCl} + 3\text{O}_2$. This club gives me the opportunity to experiment and increase my knowledge in science.

Craft, Semones, Mr. Jonas, Bowles, Terry, Snead, Harmon, Deacon, Richard, Thacker, Johnson, Winton.

LEARN TO KNIT WITH EASE IN THE HANDICRAFT CLUB

I was interested in knitting so after Phyllis told me about the Handicraft Club, I joined it right away.

So far I have been taught the arts of knitting, crocheting, and the skills necessary to accomplish these arts. Mrs. Pitman told me I would later learn to darn and embroidery, too.

Davis, Crowder, Phillips, Pyle, Boone, Ford, Loan, Spinks, Warwick, Griffith, Boyd, Carpenter, Bently, Mrs. Pitman, and Hundley.

TRAVELING IS INTERESTING AND FUN

Our Travel Club consists of thirty students from all classes who are interested in learning about near and far-away places.

This we learn primarily through the eyes of the camera or by programs from people in our community who have traveled to the places we hope to go.

In the Spring of 1957, the club hopes to take several tours of famous shrines in Virginia.

Lockhart, Knick, Propst, Cody, Hayslett, Ailstock, Cook, Persinger, Snead, Ails, McCormick, Bussard, Charles, Arritt, Wurtzbacker, Campbell, Cook, Riley, McCallister, McBee, Kelley, Snead, Mrs. McDonald.

JUST TAKES A LITTLE MORE TIME, ENERGY AND STUDY TO BE A BETA

The Beta Club is a national organization for students in Senior High School. The members are chosen on the basis of their scholastic average, leadership, character and achievement. This year with Jimmy Oliver as our president, we hope to sponsor a dance and to raise enough money to send some of our members to the National Beta Club Convention in Richmond.

Fairburn, Tucker, Leffel, Haynes, Rogers, Mrs. Mustoe, Howard, Henning, Hoke, Hepler, Blankenship, Smith, Joseph, Johnson, Montgomery, Ballard, McFadden, Andrews, Rhodes, Winn, Oliver, McCarthy, Long, Heydrick, Lugar, Pyle, Cobb, Schooler, Love, Campbell.

REPORTERS OF C.H.S. KEEP US APACE OF THE TIMES

Extra! Extra! Want to keep up with the big school activities? Sure you do. Everyone likes to know all the news. Our Reporters Club under the direction of Miss Thomas helps us all do this. These boys and girls spend lots of time rounding up the news, reporting, and editing. Several members of the Reporter's Club are sent to the Southern Interscholastic Press Association at Washington and Lee to learn how to make-up a better and more interesting paper.

Steele, Bunch, Nuchols, Messick, Ergenbright, Downey, Glover, Perkins, Carter, Anderson, Schooler, Humphries, Fleshman, Hedge, Walters, Steger, Smith, Morgan, Kerns, Boerner, Huddleston, Perdue, Sharp, Wood, Fridley, Cook, Crush, Baugher, Persinger, Moran, Clark, Steele, Lugar, Shannon, Cave.

THESE BOYS KEEP OUR BUILDING AND GROUNDS IN TOP SHAPE

The School Service Club under the direction of "Boodie" Albert helps keep our school clean. When the windows get dirty, they are the ones who help to wash them. When a bulb burns out they replace it. These young men are handy men around the school. They help keep our school in "top" shape the whole school year.

LEARN TO DANCE THE C. H. S. WAY

"Two Different Worlds We Live In," the title of this song expresses the feeling I had before I became a member of the Dance Club. Until this year I could not dance well enough to feel at ease while on the dance floor, but now after only a few months of instructions under Mrs. White, I am proud to say I can dance much better. At our weekly meetings we have learned the waltz, jitter-bug, rhumba, tango, and several square dances.

Bowen, Carpenter, Andrews, Thompson, Rudisell, Hill, Snyder, Orndorff, Brisendine, Shiflett, Wright, Gibson, Bush, Hanks, Martin, Smith, Caul, Thacker, Sellers, Kemper, Wood, Perkins, Croyle, Lloyd, Earehart, Baker, Penninger, Smith, Leitch, McCully, Hepler, Lemon, Williams, King, Carpenter, Johnson.

TRI - HI - Y

Tonight I went to my first Tri-Hi-Y meeting at Covington High School. There were 29 members and the sponsors, Mrs. Clarke and Miss Arrington, present.

I learned the purpose of the club which is "to create, maintain, and extend throughout the home, school, and community high standards of Christian Character."

Throughout the year we have planned to have morning devotions, contribute to the Community Chest, and give our annual Soc-Hop in January.

We also planned to give a basket of food to a needy family at Thanksgiving, contribute to the Red Cross Christmas fund, give worship programs at several P.T.A. meetings, and sell Easter lilies for the Crippled Children's Fund.

Musical Activities

I finally got in the Vocal Class along with 74 juniors and seniors and a few lucky sophomores. We learned to sing the scales—trying to use what the teacher called “diaphragmatic breathing.” I loved listening when the others sang their solos, but I could hardly conquer my fear long enough to sing my own.

After being in Mrs. Fleshman's Vocal Class for a year, I felt privileged to become a member of the A'Cappella Choir and the Glee Club. I could hardly contain my pride when I donned my cream and maroon satin robe and sang with the group for the Silver Anniversary tea of the Covington Senior Woman's Club. Oh, and there was the time we sang for the Foreman's luncheon at Westvaco Club; and the Student Council invited us to sing for their district meeting.

At Our High School

I really felt like a celebrity though when, after the Christmas concert at school, we made our television debut over WSLs in Roanoke!

But we never rest on our laurels in this class—No, indeed! No sooner were our exams finished than we started working on the Minstrel. And work is the word. Fun is the word, too. I enjoyed every minute!

Again, we didn't relax for long. We started preparing for the Spring Concert. Because everyone in school appreciates the concert so much, we thoroughly enjoy preparing for it.

Oh, there is so much to remember about our musical activities. And no one ever had more pleasant memories than I.

DIVERSIFIED OCCUPATIONS

We are employed a minimum of 15 hours weekly at an approved business or industrial establishment. Emphasis during employment is on training for a specific job. One half of each day is spent in regular high school classes. Both work experience and related classroom instruction are under the supervision of Mr. Miller. We receive high school credit—and an income—while we learn.

THE KEEP VIRGINIA GREEN BOYS PROTECT OUR FOREST

From our first out-door practice, I knew I'd like being a fire-fighter. Learning to work the various extinguishers, planting young saplings and hiking up and down hilly terrains, we were always on the go. Our main job was to work quickly and efficiently as a team. Although we didn't meet every week, when we did, our job was an important one. When fire struck, there was no chaos for we all knew what to do. The feeling of a task well done really made it all well-worth while.

SAFE-T-KINGS HELP TO PROMOTE BETTER DRIVING HABITS

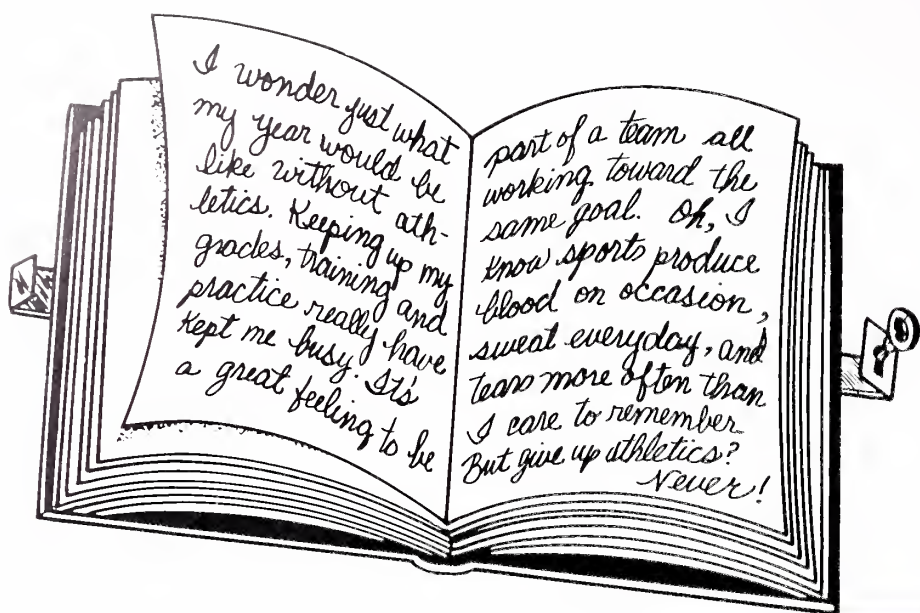

Our club is sponsored by Joe Sizemore and Calvin Wright and consists of 27 members. The purpose of our club is to promote safe driving.

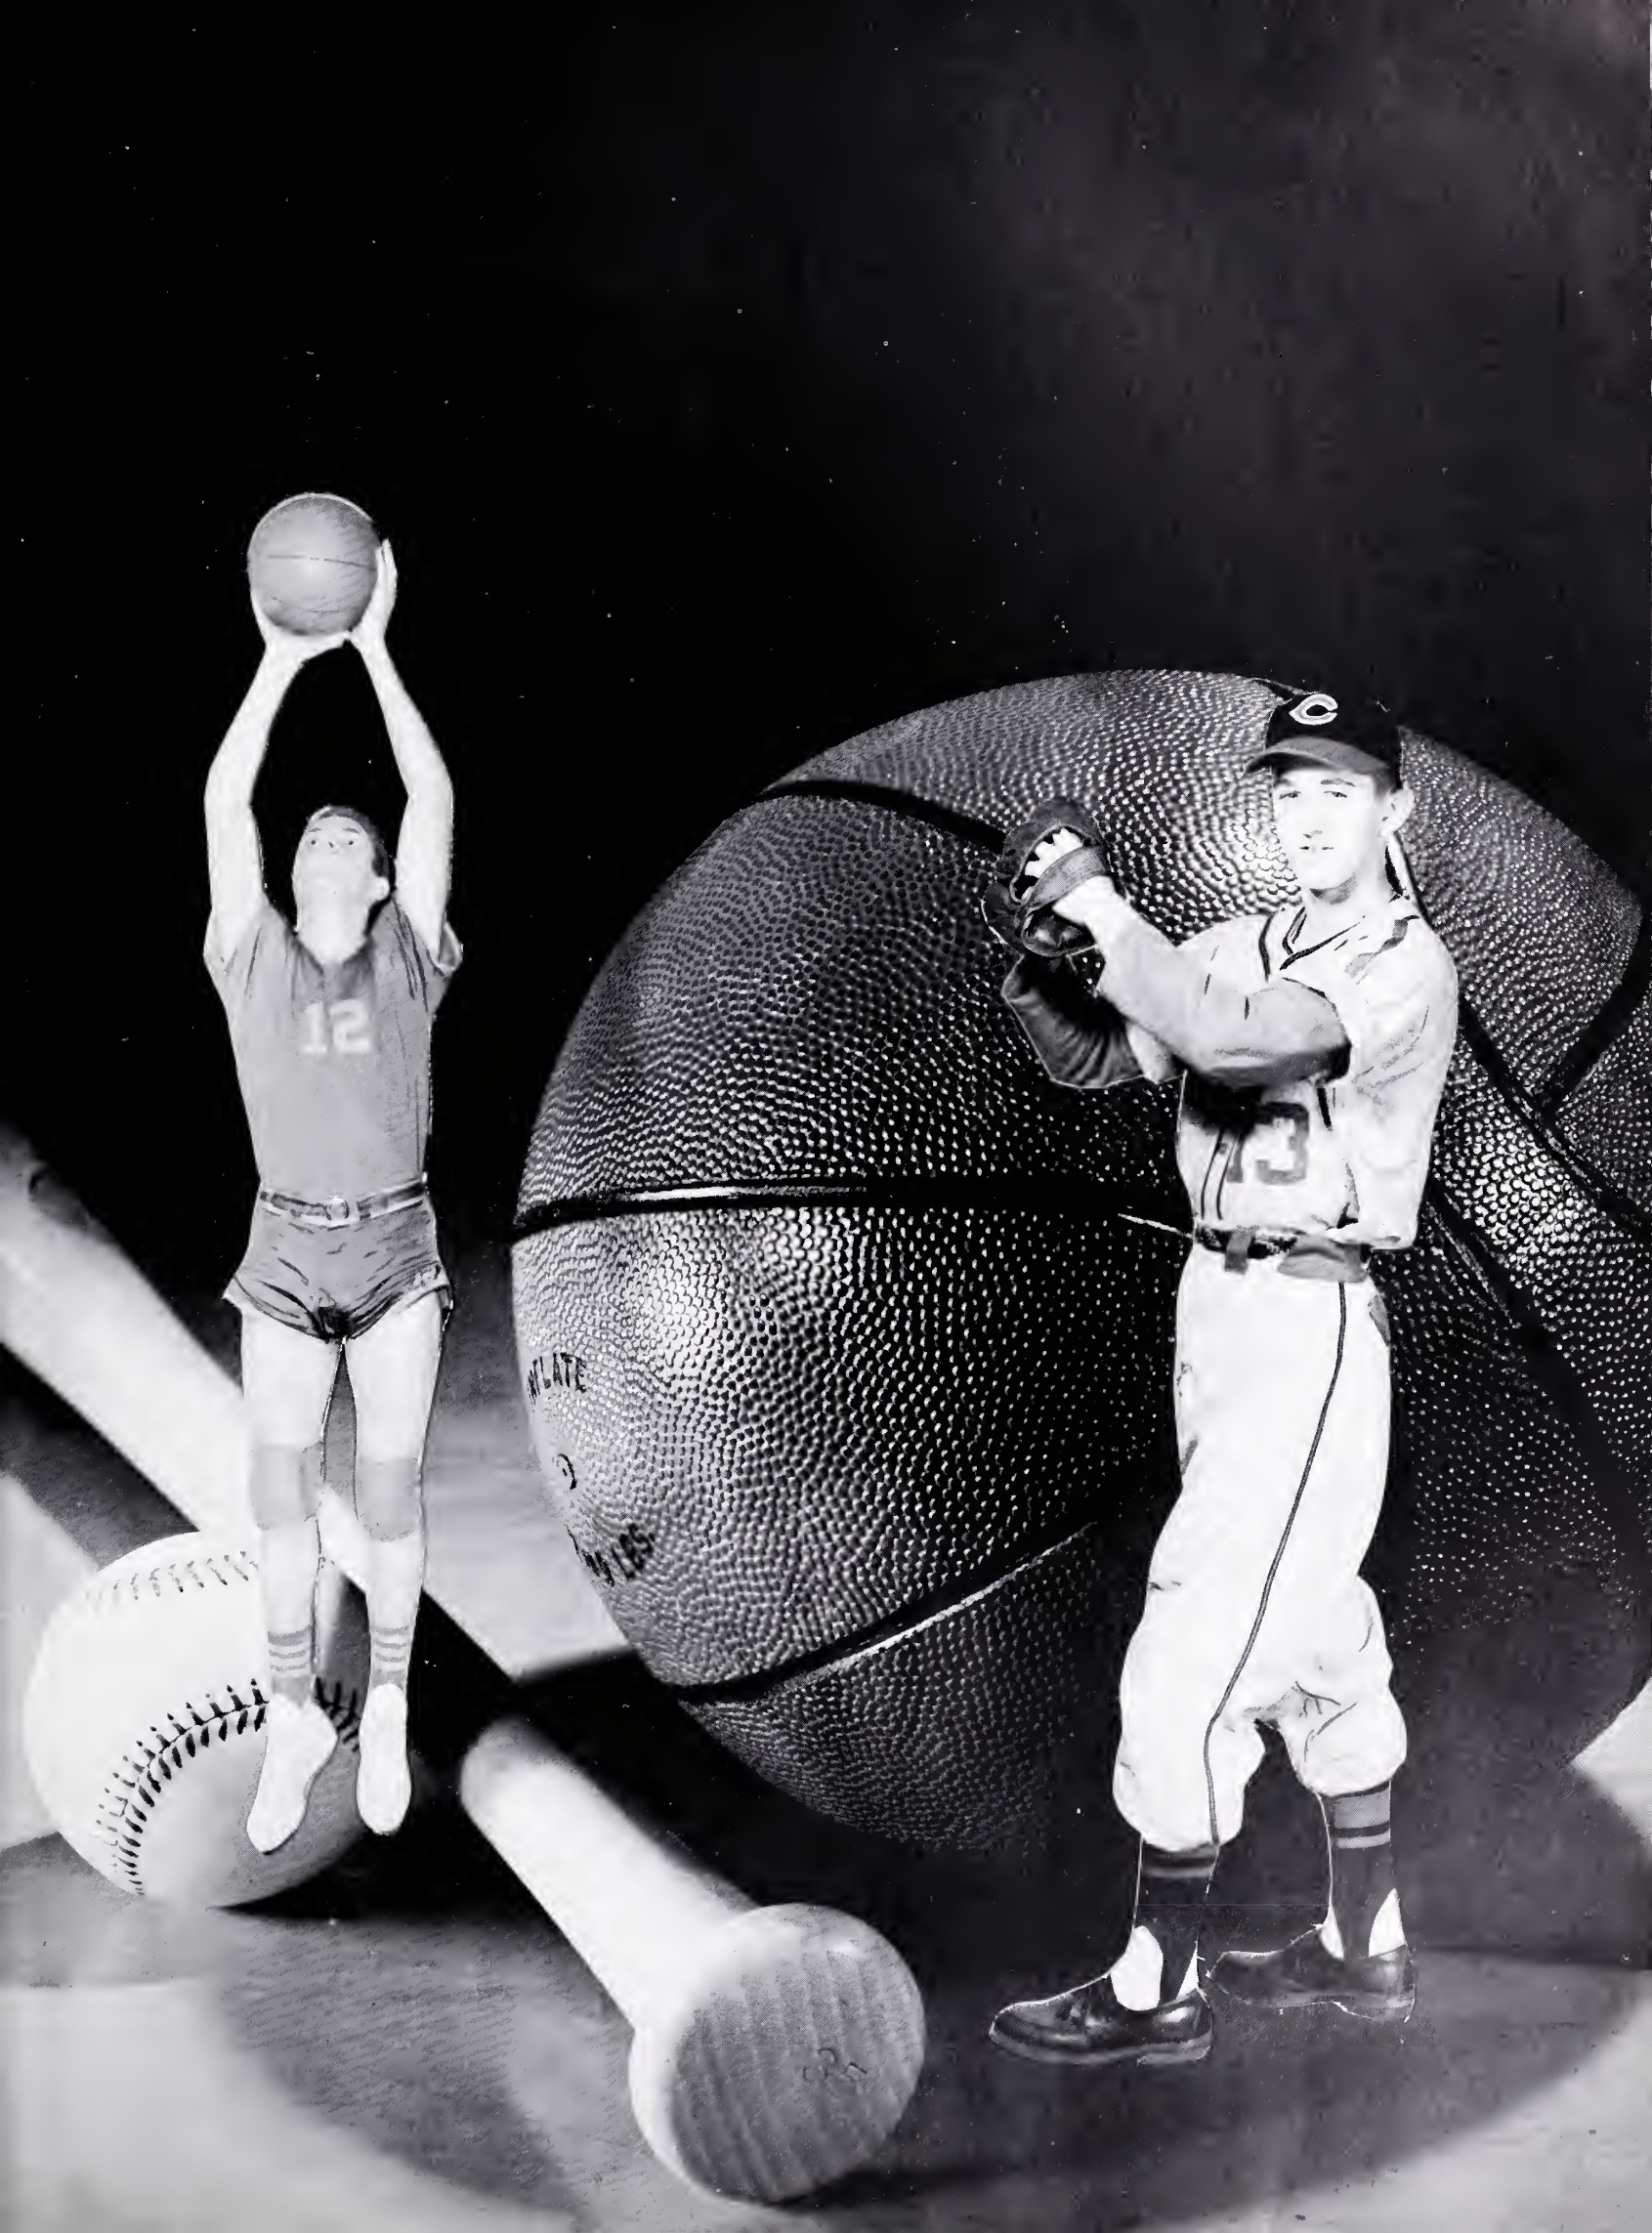

We were awarded our Emblems on December 13. David Humphries, Cranker, presided over the assembly program on December 20 at which time emblems were awarded to the honorary members. Gene Penninger gave the history of the club. At this time Mayor H. W. Robertson gave a talk on safety.

We have drawn up and adopted a constitution and charter governing the rules and regulations of the Safe-T-Kings.

I wonder what high school would be like if I weren't a cheerleader. There would be no pep rallies and no football trips. No rushing around to the cleaners for uniforms and polishing shoes at the last minute. No pom-poms or megaphones to carry and no jumping around in freezing cold weather.

I'd miss the Hamburger Fry at Boodies, the Quarterback Club dinner at the Steak House, and the cheerleader's special banquet.

From the beginning of football season straight through until the last basketball game, adds up to six delightful fun-packed months I could never do without.

CONGRATULATIONS SENIORS

We congratulate you upon your attainments and high ambitions.

Wood-using industries and Tree Farms have played a part in your past. We hope they will be still more important in the future.
